

FIS Again Recognized as a FORTUNE World's Most Admired Company

January 23, 2019

Key facts

- FIS received high marks for financial soundness, quality of management, global competitiveness, people management, and other key attributes.
- FIS is one of only a handful of technology providers on the 2019 Fortune list focused on serving the financial services industry.

JACKSONVILLE, Fla.--(BUSINESS WIRE)--Jan. 23, 2019-- [FIS](#)™ (NYSE: FIS), a global leader in financial services technology, today announced it has again been named among FORTUNE Magazine's [World's Most Admired Companies](#).

FIS is one of only a handful of technology providers on the 2019 Fortune list focused on serving the financial services industry. The company received high marks for financial soundness, quality of management, global competitiveness, people management and other key attributes.

"FIS is honored to be once again be recognized by our peers for the prestigious Fortune Most Admired Companies list," said Gary Norcross, FIS president and CEO. "This recognition speaks to the dedication and hard work of our 52,000 employees around the world who are helping our clients use modern, leading-edge technology to achieve their business goals and better serve their customers."

The FORTUNE World's Most Admired Companies list is based on survey results from thousands of executives, directors and analysts at companies worldwide. Respondents rate companies in their own industry on nine factors, which include investment value as well as social responsibility. Each respondent then selects 10 companies he or she admires most.
