

## FIS Celebrated With Two Major Honors at 2025 Global Finance Treasury & Cash Management Awards

August 28, 2025

### Key Facts

- FIS secures two major accolades at the 2025 Global Finance Treasury and Cash Management Awards.
- The awards recognize FIS for its industry-leading innovation and excellence in treasury and cash management solutions.
- These achievements highlight FIS' commitment to empowering businesses worldwide with innovative financial technologies that help corporations better manage their financial risks.

JACKSONVILLE, Fla.--(BUSINESS WIRE)--Aug. 28, 2025-- FIS® (NYSE:FIS), a global leader in financial technology, was [recognized](#) with two major accolades at the 2025 Global Finance Treasury and Cash Management Systems and Services Awards. [FIS Treasury and Risk Manager - Integrity Edition](#) received the title of "Most Innovative Treasury Solution," while [FIS Treasury and Risk Manager - Quantum Cloud Edition](#) was named "Best Treasury Management Software."

These awards highlight FIS' commitment to unlocking leading-edge solutions for businesses navigating today's increasingly complex money lifecycle. [FIS Treasury and Risk Manager: Integrity Edition](#) was recognized for providing treasurers with new, innovative and AI-based solutions such as [Treasury GPT](#); and Treasury and Risk Manager: Quantum Cloud Edition, [launched in April 2025](#), is a groundbreaking platform that empowers treasurers with cloud-native technology to make better risk management decisions for their money in motion.

Combined with FIS' [recent recognition](#) at the 2025 Treasury Management International Awards for Innovation & Excellence, these awards further affirms the company's established record of technology leadership in the treasury industry.

"The role of the treasurer has never been more vital," said JP James, head of Treasury and Risk Management at FIS. "This is especially true as organizations rely on their expertise to safeguard liquidity, maintain compliance and protect essential assets in the face of rising payment fraud costs, climate risk and market volatility."

FIS simplifies managing company finances and risks for treasurers. It offers real-time cash visibility and intuitive tools that support smarter financial decisions, even in uncertain times. Users benefit from quick setup, straightforward features, and reliable support for tasks such as global payments, navigating financial challenges and optimizing cash flow. With FIS, organizations can efficiently address challenges and capitalize on new opportunities.
