Part II, Item 14 *Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action*

On November 30, 2015, pursuant to the terms and conditions in the Agreement and Plan of Merger, dated as of August 12, 2015, by and among Fidelity National Information Services, Inc. ("FIS"), Seahawk Merger Sub 1, Inc., a wholly owned subsidiary of FIS ("Merger Sub 1"), Seahawk Merger Sub LLC, a wholly owned subsidiary of FIS ("Merger Sub 2"), Seahawk Merger Sub 3, Inc., a wholly owned subsidiary of FIS ("Merger Sub 3"), SunGard and SunGard Capital Corp. II ("SCCII," and, together with SunGard, the "SunGard Companies"), Merger Sub 1 merged with and into SunGard, with SunGard continuing as the surviving corporation (the "Merger 1 Surviving Corporation"), the Merger 1 Surviving Corporation merged with and into Merger Sub 2, with Merger Sub 2 continuing as the surviving company (the "Follow-On 1 Surviving Company"), Merger Sub 3 merged with and into SCCII, with SCCII continuing as the surviving corporation (the "Merger 2 Surviving Corporation"), and the Merger 2 Surviving Corporation merged with and into the Follow-On 1 Surviving Company, with the Follow-On 1 Surviving Company continuing as the surviving company (the "Surviving Company") and as a wholly owned subsidiary of FIS (collectively, the "Mergers").

As a result of the Mergers, (i) each share of SunGard common stock was exchanged for \$60.138787 in cash and 0.754949 shares of FIS common stock and (ii) each share of SCCII preferred stock was exchanged for \$55.085044 in cash and 2.503107 shares of FIS common stock. FIS did not issue fractional shares of FIS common stock in the Mergers. As a result, SunGard and SCCII stockholders received cash for any fractional share of FIS common stock that they would otherwise be entitled to receive in the Mergers, based on a value of \$66.02 per share of FIS common stock.

Part II, Item 15 *Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis*

Each of (i) Merger 1 together with the Follow-On Merger 1 and (ii) Merger 2 together with Follow-On Merger 2, is intended to qualify as a tax-free reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986.

As a result, (i) SunGard common stockholders who exchanged their shares of SunGard common stock for shares of FIS common stock and cash recognized gain (but not loss) on the exchange in an amount equal to the lesser of (1) the amount of gain realized (*i.e.*, the excess of the sum of the fair market value of the shares (including any fractional shares) of FIS common stock and cash received pursuant to Merger 1 (excluding any cash received in lieu of fractional shares) over the shareholder's adjusted tax basis in its shares of SunGard common stock surrendered pursuant to Merger 1), or (2) the amount of cash (excluding any cash received in lieu of fractional shares) received pursuant to Merger 1, and (ii) SCCII preferred stockholders who exchange their shares of SCCII preferred stock for shares of FIS common stock and cash recognized gain (but not loss) on the exchange in an amount equal to the lesser of (1) the amount of gain realized (*i.e.*, the excess of the sum of the fair market value of the shares (including any fractional shares) of FIS

common stock and cash received pursuant to Merger 2 (excluding any cash received in lieu of fractional shares) over the shareholder's adjusted tax basis in its shares of SCCII preferred stock surrendered pursuant to Merger 2), or (2) the amount of cash (excluding any cash received in lieu of fractional shares) received pursuant to Merger 2.

The amount of gain realized is calculated separately for each share of SunGard common stock or SCCII preferred stock surrendered. If a holder of SunGard common stock or SCCII preferred stock acquired different blocks of SunGard common stock or SCCII preferred stock at different times or at different prices, any gain is determined separately with respect to each block of SunGard common stock or SCCII preferred stock.

A SunGard or SCCII stockholder's tax basis in the FIS shares received in the Mergers is equal to the aggregate tax basis in the SunGard common stock or SCCII preferred stock exchanged, decreased by the amount of cash received in the Mergers (except with respect to any cash received instead of a fractional share interest in FIS common stock), decreased by any tax basis attributable to a fractional share interest in FIS common stock for which cash is received, and increased by the amount of gain recognized on the exchange (excluding any gain or loss recognized with respect to a fractional share interest in FIS common stock for which cash is received).

If a holder of SunGard common stock or SCCII preferred stock acquired different blocks of SunGard common stock or SCCII preferred stock at different times or at different prices, the holder's tax basis in the shares of FIS common stock received may be determined with reference to each block of SunGard common stock or SCCII preferred stock exchanged and/or with reference to any express share by share designation made by the holder in the letter of transmittal.

Each holder of SunGard common stock or SCCII preferred shares should consult its tax advisor to determine the proper fair market value of FIS common stock purposes of determining the amount of gain, if any, recognized in the Mergers, the tax basis of the FIS shares received in the Merger and the manner in which cash and FIS common stock received in the exchange should be allocated among different blocks of FIS common stock received in the Mergers.

Part II, Box 16 *Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates*

The calculation of the change in basis is described above in Part II, Box 15. The volume weighted average price per share of FIS common stock on the NYSE for the five consecutive trading days ended on the fifth trading day prior to November 30, 2015 was \$66.02.
