(3) The section of the Offer to Purchase captioned "8. Source and Amount of Funds" is hereby amended as follows:

(a) The following sentence is added to the end of the first paragraph of the section:

The financing condition has been satisfied as of July 16, 2010 as a result of (1) the completion of the private offerings of long-term bonds and (2) the completion of a new tranche of additional term loans under its existing credit facility (each as further described below), proceeds of which (along with proceeds from additional borrowings under FIS' existing revolving credit facility and/or accounts receivable facility) will be used to fund the Tender Offer, to repay in full

and terminate a credit facility assumed by FIS in connection with the Metavante Acquisition and to pay fees and expenses.

(b) The following sentences replace the paragraph beginning with the heading “*Long-Term Bonds*” in its entirety:

On July 16, 2010, FIS announced that it had completed its private offering of long-term bonds in an aggregate principal amount of \$1.1 billion, comprised of an issuance of \$600 million aggregate principal amount of 7.625% Senior Notes due 2017 (the “2017 Notes”) and \$500 million aggregate principal amount of 7.875% Senior Notes due 2020 (the “2020 Notes”) and, together with the 2017 Notes, the “Notes”). Interest on the 2017 Notes accrues at the rate of 7.625% per annum, and interest on the 2020 Notes accrues at the rate of 7.875% per annum. Interest on each series of Notes is payable semi-annually in cash in arrears on January 15 and July 15 of each year, commencing on January 15, 2011. The disclosure set forth in “Section 11—Interests of Directors and Executive Officers; Transactions and Arrangements Concerning Shares” of this Offer to Purchase under the heading “Indenture for the Notes” is incorporated herein by reference. Additional details concerning the completion of the Notes offering can be found in FIS’ Current Report on Form 8-K filed on July 20, 2010 that contained Item 1.01, Item 2.03, Item 8.01 and Item 9.01 disclosures, which is incorporated herein by reference.

(c) The following paragraph is added below the paragraph beginning with the heading “*Credit Facility and Related Term Loans*”:

On July 16, 2010, FIS announced that it had completed a \$1.5 billion tranche of additional term loans under its existing credit facility and an associated joinder agreement with respect to the New Term Loan B. The New Term Loan B loans are subject in all material respects to the provisions of the FIS Credit Agreement applicable to other term loans under the FIS Credit Agreement, except that the joinder agreement establishes the following provisions as specifically applicable to the New Term Loan B loans: (i) each New Term Loan B loan that is a Eurocurrency Rate Loan (as defined in the FIS Credit Agreement) will bear interest on the outstanding principal amount at a rate per annum equal to the Eurocurrency Rate (subject to a Eurocurrency Rate floor of 1.50%) plus an applicable margin of 3.75% per annum; (ii) each New Term Loan B loan that is a Base Rate Loan (as defined in the FIS Credit Agreement) will bear interest on the outstanding principal amount from the applicable borrowing date at a rate per annum equal to the Base Rate (subject to a Base Rate floor equal to 1.00% above the greater of (a) 1.50% or (b) the Eurocurrency Rate for a one month interest period) plus an applicable margin of 2.75% per annum; and (iii) FIS will make quarterly principal payments on the New Term Loan B loans in an amount equal to 0.25% of the original principal balance thereof on or prior to the last day of each March, June, September and December (starting with December 31, 2010), with a final payment of the entire remaining principal balance of the New Term Loan B loans on their maturity date of July 18, 2016. Additional details concerning the New Term Loan B loans and associated joinder agreement can be found in FIS’ Current Report on Form 8-K filed on July 20, 2010 that contained Item 1.01, Item 2.03, Item 8.01 and Item 9.01 disclosures, which is incorporated herein by reference.

(4) The section of the Offer to Purchase captioned “10. Certain Information Concerning FIS” is hereby amended as follows:

(a) The fourth and fifth sentences of the paragraph beginning with the heading “*Additional Information*” are amended and restated as follows:

Copies of this material can also be obtained by mail, upon payment of the SEC’s customary charges, by writing to the Public Reference Section at 100 F Street, N.E., Room 1580, Washington, D.C. 20549.

(b) In the table immediately below the paragraph beginning with the heading “*Incorporation by Reference*,” the list corresponding to “*Current Reports on Form 8-K*” to be incorporated by reference into

the Offer to Purchase is amended and restated to read as follows in order to add the Current Report on Form 8-K filed by FIS on July 20, 2010 that contained Item 1.01, Item 2.03, Item 8.01 and Item 9.01 disclosures:

Current Reports on Form 8-K

Filed March 3, 2010, June 2, 2010, June 7, 2010, July 2, 2010, July 6, 2010, July 9, 2010, and July 20, 2010 (such July 20, 2010 Current Report on Form 8-K to refer to the 8-K filing that contained Item 1.01, Item 2.03, Item 8.01 and Item 9.01 disclosures).

(5) The section of the Offer to Purchase captioned “11. Interests of Directors and Executive Officers; Transactions and Arrangements Concerning Shares” is hereby amended by appending the following at the end of the sub-section entitled “Transactions and Arrangements Concerning Shares”:

Indenture for the Notes. On July 16, 2010, FIS completed its previously announced offerings of the 2017 Notes and the 2020 Notes. The Notes were issued in two separate series pursuant to an indenture dated as of July 16, 2010 (the “Indenture”) among FIS, the Guarantors (as defined below) and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”). The Notes are fully and unconditionally guaranteed on a senior unsecured basis by each of FIS’ domestic subsidiaries that is a guarantor under FIS’ amended credit facility (collectively, the “Guarantors”). The Notes and the related guarantees, respectively, will be FIS’ and the Guarantors’ general senior unsecured obligations, and will (1) rank equally in right of payment with all of FIS’ and the Guarantors’ existing and future senior debt, (2) be effectively junior to all of FIS’ and the Guarantors’ existing and future secured debt to the extent of the value of the assets securing that secured debt, (3) be effectively junior to all existing and future debt and liabilities of FIS’ non-guarantor subsidiaries and (4) rank senior in right of payment to all of FIS’ future debt, if any, that is by its terms expressly subordinated to the Notes.

FIS may redeem some or all of the 2017 Notes and the 2020 Notes before July 15, 2013 and July 15, 2014, respectively, by paying 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, to the redemption date, plus a “make-whole” premium. FIS may redeem some or all of the 2017 Notes and the 2020 Notes on or after July 15, 2013 and July 15, 2014, respectively, at specified redemption prices. In addition, before July 15, 2013, FIS may redeem up to 35% of either series of the Notes with the net proceeds of certain equity offerings.

FIS is obligated to offer to repurchase the Notes at a price of (a) 101% of their principal amount plus accrued and unpaid interest, if any, as a result of certain change of control events and (b) 100% of their principal amount plus accrued and unpaid interest, if any, in the event of certain asset sales. These restrictions and prohibitions are subject to certain qualifications and exceptions.

The Indenture contains covenants that, among other things, limit FIS’ ability and the ability of certain of FIS’ subsidiaries to (i) incur or guarantee additional indebtedness, (ii) make certain restricted payments, (iii) create or incur certain liens, (iv) create restrictions on the payment of dividends or other distributions to FIS from its restricted subsidiaries, (v) engage in sale and leaseback transactions, (vi) transfer all or substantially all of the assets of FIS or any restricted subsidiary or enter into merger or consolidation transactions and (vii) engage in certain transactions with affiliates. These covenants are subject to a number of exceptions, limitations and qualifications set forth in the Indenture.

Registration Rights Agreement. In connection with the issuance of the Notes, FIS and the Guarantors entered into a registration rights agreement dated July 16, 2010 with Banc of America Securities LLC, Goldman, Sachs & Co., J.P. Morgan Securities Inc., and Wells Fargo Securities, LLC, as representatives of the initial purchasers of the Notes (the “Registration Rights Agreement”). Pursuant to the Registration Rights Agreement, FIS has agreed to file with the SEC an exchange offer registration statement to exchange the Notes for substantially identical notes registered under the Securities Act unless the exchange offer is not permitted by applicable law or the applicable interpretations of the SEC. FIS has agreed to use commercially reasonable efforts to (a) file the exchange offer registration statement with the SEC within 270 days of the issue date of the Notes; (b) have the exchange offer registration statement declared effective within 360 days of the issue date of the Notes and (c) complete the exchange offer with respect to the Notes within 30 business days of effectiveness. FIS has also agreed to file a shelf registration statement

to cover resales of the Notes under certain circumstances. If FIS fails to satisfy its registration obligations under the Registration Rights Agreement, it will be required to pay additional interest to the holders of the Notes under certain circumstances for certain periods.

(6) The Offer to Purchase, the Letter of Transmittal and the related tender offer documents are further amended as follows:

(a) The words “as promptly as practicable” or “as soon as practicable,” when used in the Offer to Purchase, the Letter of Transmittal and in the related tender offer documents in reference to the timing of FIS’ determination of the Purchase Price, determination of the final proration factor, payment for Shares accepted in the Offer, and return of Shares not purchased in the Tender Offer, shall be deleted and replaced by the word “promptly”;

(b) In the “Summary Term Sheet” section of the Offer to Purchase, in the response to the question “When will FIS pay for the Shares I tender?,” the third sentence, beginning with “However, if proration is required,” shall be deleted in its entirety;

(c) In the section of the Offer to Purchase captioned “1. Number of Shares; Purchase Price; Proration,” in the paragraph beginning with the heading “*Proration*,” the third sentence, beginning with “Because of the difficulty,” shall be deleted in its entirety; and

(d) In the section of the Offer to Purchase captioned “5. Purchase of Shares and Payment of Purchase Price,” in the sixth paragraph, the second sentence, beginning with “However, FIS does not expect to,” shall be deleted in its entirety.

(7) The Offer to Purchase, the Letter of Transmittal and the related documents shall be amended by appending the phrase “, subject to a challenge of such determination in a court of competent jurisdiction” to the end of each of the following sentences immediately prior to the period at the end of such sentences:

(a) in the section of the Offer to Purchase captioned “3. Procedures for Tendering Shares,” the first and third sentences in the paragraph beginning with the heading “*Determination of Validity; Rejection of Shares; Waiver of Defects; No Obligation to Give Notice of Defects*”;

(b) in the section of the Offer to Purchase captioned “4. Withdrawal Rights,” the first sentence of the third paragraph;

(c) in the section of the Offer to Purchase captioned “6. Conditions of the Tender Offer,” the last sentence of the last paragraph;

(d) in the Letter of Transmittal, the second and fourth sentences to Instruction 12; and

(e) in Exhibit (a)(1)(L) to the Schedule TO entitled “Instructions for Tender through Conditional Exercise of Options”:

(i) the third sentence in the paragraph beginning with “3. The conditional exercise of Options”; and

(ii) each of the first and third sentences in the paragraph beginning with “6. All questions as to the number of Options.”

(8) The Offer to Purchase and related documents shall be hereby further amended as follows:

(a) in the section of the Offer to Purchase captioned “IMPORTANT,” the first three sentences of the last paragraph shall be deleted in their entirety and replaced with the following sentence, which shall be deemed to have been presented in boldface font:

We are not making the Tender Offer to (nor will we accept any tender of Shares from or on behalf of) holders residing in any state in which the making of the Tender Offer or acceptance of any tender of Shares is or becomes prohibited by administrative or judicial action pursuant to a state statute after we have made a good faith effort to comply with such statute.

Pursuant to Exchange Act Rule 13e-4(f)(9)(ii), the Tender Offer is not being made to (nor will tenders be accepted from or on behalf of) shareholders residing in any state in which the making of the Tender Offer or acceptance of offers to sell Shares is or becomes prohibited by administrative or judicial action pursuant to a state statute after we have made a good faith effort to comply with such statute.

(c) Exhibit (a)(1)(E) of the Schedule TO entitled “Letter to clients for use by brokers, dealers, commercial banks, trust companies and other nominees” is amended by amending and restating the second sentence of the penultimate paragraph on page 3 thereof that begins “The Tender Offer is being made solely under the Offer to Purchase and the Letter of Transmittal and is being made to all record holders of Shares” to read as follows:

Pursuant to Exchange Act Rule 13e-4(f)(9)(ii), the Tender Offer is not being made to (nor will tenders be accepted from or on behalf of) holders of Shares residing in any state in which the making of the Tender Offer or acceptance thereof is or becomes prohibited by administrative or judicial action pursuant to a state statute after we have made a good faith effort to comply with such statute.

FIS Reports Second Quarter 2010 Results

Second Quarter Highlights:

- Revenue of \$1.29 billion, up 2.4%, as adjusted
- EPS of \$0.46, as adjusted
- EBITDA margin of 29.9%, up 140 basis points, as adjusted
- Free cash flow of \$108 million, as adjusted

JACKSONVILLE, Fla., July 20, 2010 — FISTM (NYSE:FIS), one of the world's largest providers of banking and payments technology, today reported financial results for the quarter ended June 30, 2010. For comparative purposes, references to pro forma measures for 2009 assume that the October 1, 2009 merger with Metavante Technologies, Inc. was completed on January 1, 2009 and reflect adjustments in a manner consistent with 2010 adjusted results.

Adjusted revenue (which excludes a \$5 million negative impact to deferred revenue from purchase accounting) increased 2.4% to \$1.29 billion in U.S. dollars in the second quarter of 2010 compared to pro forma revenue of \$1.26 billion in the second quarter of 2009, and increased 1.7% in constant currency.

Adjusted EBITDA was \$385.8 million, 7.2% higher as compared to pro forma EBITDA of \$359.8 million in the prior year quarter. The adjusted EBITDA margin expanded 140 basis points to 29.9% driven primarily by synergy cost savings. Adjusted net earnings from continuing operations totaled \$176.5 million, or \$0.46 per diluted share. Adjusted free cash flow totaled \$108 million in the second quarter. On a GAAP basis, second quarter consolidated revenue totaled \$1.286 billion. During the quarter, FIS recorded after-tax merger and integration costs and recapitalization costs totaling \$41.2 million, or \$0.11 per share. The deferred revenue adjustment impacted after-tax earnings by \$3.3 million, or \$0.01 per share. These combined charges, along with purchase price amortization of intangible assets acquired through various acquisitions, resulted in GAAP net earnings from continuing operations attributable to common stockholders of \$90.2 million, or \$0.23 per diluted share.

FIS has successfully completed the financing for the previously announced recapitalization plan and expects to complete the share repurchase in early August, 2010.

The financing condition to FIS' previously announced tender offer for shares of its common stock was satisfied by the completion of the financing announced by FIS on July 16, 2010.

Acquisitions and Discontinued Operations

On October 1, 2009, FIS completed the acquisition of Metavante Technologies, Inc. The transaction was treated as a purchase and the results of Metavante are included in the consolidated results of FIS beginning October 1, 2009. For comparative purposes, in accordance with management's desire to improve the understanding of the company's operating performance, the supplemental information provided below assumes the merger was completed on January 1, 2009 and combines Metavante's results with FIS's historical results on a pro forma basis.

In addition, FIS completed the sale of its ClearPar automated syndicated loan trade settlement business on January 1, 2010. The results of ClearPar are reported as discontinued operations for all periods presented.

Supplemental Information

The following supplemental information is presented on an adjusted pro forma basis, which management believes provides meaningful comparisons between the periods presented. Reconciliations of non-GAAP measures to related GAAP measures are provided in the attached schedules and in the Investor Relations section of the FIS Web site, www.fisglobal.com.

Consolidated second quarter revenue increased 2.4% to \$1.291 billion in U.S. dollars, compared with \$1.261 billion in the second quarter of 2009. Excluding a \$9.2 million favorable foreign currency impact, consolidated revenue increased 1.7%.

- Financial Solutions revenue increased 3.0% to \$458.3 million compared to \$445.0 million in the 2009 quarter driven by higher professional services revenue and software license fees.

- Payment Solutions revenue of \$630.6 million was comparable to \$631.1 million in the 2009 quarter as growth in electronic payment solutions was offset by lower item processing and retail check activity.

- International Solutions revenue increased 8.0% to \$200.7 million in U.S. dollars, and 3.1% in constant currency compared to \$185.8 million in the 2009 quarter. The increase was driven primarily by increased card processing volumes in Brazil. Software and professional services revenue was comparable to prior year.

Adjusted EBITDA increased 7.2% to \$385.8 million in the second quarter of 2010 compared to \$359.8 million in the 2009 quarter. The adjusted EBITDA margin improved 140 basis points to 29.9% compared to 28.5% in the prior-year quarter, driven primarily by the realization of synergy cost savings and ongoing expense management.

- Financial Solutions EBITDA increased 5.0% to \$200.6 million, while the margin improved 90 basis points to 43.8% compared to 42.9% in the prior year quarter.

- Payment Solutions EBITDA increased 4.0% to \$232.3 million, and the margin increased 140 basis points to 36.8% compared to 35.4% in the prior year.

- International EBITDA increased 1.1% to \$36.4 million. The currency impact was not material to EBITDA. The reported EBITDA margin was 18.1%, and 19.0% in constant currency, compared to 19.4% in the prior year quarter.

Balance Sheet

FIS had \$502 million in cash and cash equivalents and total debt outstanding of approximately \$3.0 billion at June 30, 2010.

Capital expenditures totaled \$76.0 million in the quarter, compared to \$78.9 million in pro forma capital expenditures in the prior year.

Use of Non-GAAP Financial Information

Generally Accepted Accounting Principles (GAAP) is the term used to refer to the standard framework of guidelines for financial accounting. GAAP includes the standards, conventions, and rules accountants follow in recording and summarizing transactions and in the preparation of financial statements. In addition to reporting financial results in accordance with GAAP, the company has provided non-GAAP financial measures, which it believes are useful to help investors better understand its financial performance, competitive position and prospects for the future. These non-GAAP measures include adjusted revenue, adjusted earnings before interest, taxes and depreciation and amortization (EBITDA), adjusted net earnings, and adjusted free cash flow. Adjusted revenue excludes the impact of deferred revenue purchase accounting. Adjusted EBITDA excludes the impact of merger and acquisition and integration expenses, accelerated stock compensation charges associated with merger and acquisition activity, costs associated with the announced recapitalization plan, and certain other costs. Adjusted net earnings exclude the after-tax impact of merger and acquisition and integration expenses, accelerated stock compensation charges associated with merger and acquisition activity, costs associated with the announced recapitalization plan, acquisition related amortization and certain other costs. Adjusted free cash flow is GAAP operating cash flow less capital expenditures, acquisition related cash items and cash items associated with the announced recapitalization plan. Non-GAAP adjustments are recorded in the Corporate and Other segment and do not impact operating segment results. Any non-GAAP measures should be considered in context with the GAAP financial presentation and should not be considered in isolation or as a substitute for GAAP net earnings. Further, FIS' non-GAAP measures may be calculated differently from similarly titled measures of other companies. Reconciliations of these non-GAAP measures to related GAAP measures are provided in the attached schedules and in the Investor Relations section of the FIS Web site, www.fisglobal.com.

Notes to Unaudited — Supplemental GAAP to Non-GAAP Reconciliation for the Three and Six Months ended June 30, 2010 and 2009

The adjustments are as follows:

- (1) This column represents (1) charges for restructuring and integration costs relating to merger and acquisition activities and (2) costs associated with the 2010 leveraged recapitalization plan. For the three and six months ended June 30, 2010 and 2009, the adjustments to “Selling, general and administrative” expenses primarily represent incremental transaction costs incurred by the Company related to the acquisition of Metavante Technologies, Inc., completed on October 1, 2009. The adjustments to “Other income (expense), net” represent certain costs associated with the leveraged recapitalization, the write-off of certain previously deferred debt issue costs associated with the amended and extended debt facility and the write-off of unamortized discount associated with the portion of the Metavante debt that was paid with the proceeds thereof.
- (2) This column represents the impact of the purchase accounting adjustment to reduce Metavante’s deferred revenues to estimated fair value, determined as fulfillment cost plus a normal profit margin. The deferred revenue adjustment represents revenue that would have been recognized in the normal course of business by Metavante but was not recognized due to GAAP purchase accounting requirements.
- (3) This column represents purchase price amortization expense on intangibles assets acquired through various Company acquisitions.
